

❄️ December 2025 ❄️

News from Allen and Deedee

We hope all is well with you. As 2025 moves into its home stretch, we wish you a wonderful and relaxing time together with family and friends! We are so grateful for your partnership with us, and for everything we have seen the Lord do this year.

Thank you for praying for my (Allen's) recent Operation Transit Steering Committee meeting. I was so encouraged by what the outreach leaders shared, and how they saw God work at the different port cities!

OPERATION TRANSIT Outreach Results 2025		
Locations:	5 port cities in Spain	2 cities in France
Total items* distributed:		137,458
*Including New Testaments, other Christian books, JESUS Film or Magdalena DVD, QR code item, or USB		
People deciding to follow Jesus:		94
New believers getting Baptized:		6

We praise the Lord for the long-term impact of this work. One leader who (like us) has been involved with Operation Transit for many years observed: "The outreach teams have been meeting more and more North Africans who are already Christians! Glory to God! One North African who has been following Jesus for 25 years came and asked the visiting team for a Bible, so that he can give it to a friend of his."

All the travelers who accept a packet do so with joy, knowing that it includes the New Testament. They also love the digital version of the same materials on a USB drive or with a QR code on a card or a folding fan. They are especially happy when they realize it is a free gift!

Thank you so very much for partnering with us as we serve Operation Transit and the other strategic outreaches of the NAMESTAN Europe Network. The results are more than just numbers; there are more stories than we can share. And every story and number represents a family or individual who now has access to the greatest story of all: how God Himself came into the world as Jesus Christ, and invites each of us to know and follow Him. *Please pray that the Lord would continue to speak into peoples' lives through their in-person and online conversations about Him, as well as through every Bible and every other Christian item that they took home. Pray that more people would truly follow Jesus and make His love and truth known everywhere!*

We appreciate your partnership, encouragement, and sincere prayers for us, as we venture into and support the frontlines of Christian mission in the most unreached part of the world. Nothing is impossible with God! Thank you for helping share His Good News!

Together we serve,

Allen and Deedee

In **Tarifa**, a team joining our work from Puerto Rico saw four people receive Jesus Christ as their Savior. In **Malaga**, colleagues working with people who had come to faith through the outreach saw five choose to be baptized this year. In **Marseille**, volunteers faced adversity, but they also experienced the Lord's encouraging presence with them.

One traveler was offered a packet and shown the language options, and was assured it was free. With great emotion he accepted it, saying, "Thank you! This is the greatest gift anyone could give me."

Another North African who lived in Spain was happy to get the materials and to talk with the distributors. It turned out that he had been searching for spiritual truth.
