Centering Our Hearts

Prelude

Julia Hull

Reflection for the Prelude: Have you ever been impatient for something only to realize later the timing worked better by waiting?

Centering Prayer

Lord your timing is so much better than our timing.

You see all of time laid out before you. How can we fathom your plans.

We come to worship dependent on you to see the full picture and light our way.

We trust in you Lord, help us to trust you even more.

Remind us of your goodness as we remember all you have done for those who came before us.

Give us patience like you are patient. Amen.

Opening Hymn #42 “Your Faithfulness, O Lord, Is Sure”

Focusing Our Hearts

Lord your greatness is unsearchable. Every day we praise your name forever and ever.

The generation before us shared their praise with us and we will share your praise with those who come after us.

Lord you are gracious and merciful, slow to anger and abounding in steadfast love.

Your whole creation pours forth thanksgiving to you O Lord.

You are faithful and uphold all who fall and raise all those who bow down.

Make our hearts desire you, save us and watch over us and we will bless your name forever and ever. Amen
